## Welcome to Roots Gymnasium

Nestled in the heart of the Stampriet community, Roots Gymnasium is a Christian private school offering education from Grade 00 to Grade 12, where faith, learning, and character are deeply intertwined. Everything we do is guided by the Word of God, and we strive to live out Christian values in our teaching, relationships, and daily life.

At Roots Gymnasium, we are more than a place of learning – we are a community where every child is known, valued, and supported. We believe that true education nurtures the mind, heart, and spirit, equipping learners not only for academic success but for a life of purpose, service, and integrity.

Founded in 2021, Roots Gymnasium was established with a clear vision: *To provide high-quality, future-focused education that is academically rigorous, values-driven, and firmly rooted in our agricultural and rural context.* Our curriculum blends international best practice with practical, hands-on learning, empowering learners to engage meaningfully with the world around them.

We offer a seamless educational journey from Pre-Primary to High School:

- Pre-Primary focuses on perceptual development and foundational skills, creating a joyful, nurturing environment where a love for learning is cultivated from an early age.
- Junior and Senior Primary place strong emphasis on literacy, numeracy, science, and technology, guided by the Cambridge framework and enriched through experiential learning.
- High School follows the Cambridge curriculum, preparing learners for international examinations while fostering responsibility, independence, leadership, and moral discernment.

Education at Roots Gymnasium extends well beyond the classroom. We are committed to the holistic development of every learner through sport, culture, leadership opportunities, service, and spiritual growth. We intentionally create spaces where learners can explore their God-given talents, build resilience, and develop a strong sense of identity and belonging.

For learners who board with us, our hostel provides a safe, structured, and caring home away from home, where Christian values, discipline, and genuine relationships form the foundation of daily life.

Our strength lies in our people. A dedicated team of educators and support staff walk alongside our learners, modelling servant leadership and encouraging them to think critically, act compassionately, and live faithfully.

We invite you to explore our school, our values, and our story. At Roots Gymnasium, we are growing minds, shaping character, and building strong roots for life – firmly grounded in Christ.
